RESOLUTION

Recognizing the crucial role of assistance dogs in helping wounded veterans live more independent lives, expressing gratitude to The Tower of Hope, and supporting the goals and ideals of creating a Tower of Hope Day.

Whereas the brave men and women defending America's democracy in Iraq and Afghanistan are in harm's way;

Whereas thousands of America's returning veterans were seriously wounded in combat, including brain injuries, single and double amputations, and other traumatic wounds;

Whereas these brave soldiers return to the United States and spend weeks, months, and years in hospitals recovering, and return to their homes needing assistance to regain their independence;

Whereas these recovering soldiers who are teamed up with assistance dogs lead more comfortable and more independent lives;

Whereas these dogs provide assistance to wounded veterans while walking, going up and down stairs, and getting up from a sitting or fallen position, and also pick up dropped articles, retrieve items from a distance, pull manual wheelchairs a short distance, turn lights on and off, and perform other important daily tasks;

Whereas assistance animals offer priceless companionship and unconditional love on a daily basis;

Whereas there are fewer than 75 veterans from Iraq and Afghanistan who currently have assistance dogs, as many veterans cannot afford them or do not know about the benefits that assistance dogs provide;

Whereas severely wounded veterans currently have to wait up to 2 years before they can receive an assistance animal;

Whereas The Tower of Hope was created following the attacks of September 11, 2001, to bring hope to wounded veterans by providing them with assistance dogs at no cost; and

Whereas The Tower of Hope has substantially improved many lives by raising funds for the training of assistance dogs, providing grants for American combat wounded veterans, and advocating for the benefits of these animals: Now, therefore, be it
